

Bill #	Bill Summary	Fiscal	Author	Sponsor	Status
Support for Multiple Pathway Development					
SB 675	Clean Technology and Renewable Energy Job Training, Career Technical Education, and Dropout Prevention Act of 2010 —Authorizes an unspecified amount in bonds to construct new facilities or reconfigure existing ones to enhance educational opportunities for program participants, as defined, to provide them with the skills and knowledge necessary for careers directly related to clean technology, renewable energy, or energy efficiency that may also contribute to California's goal in reducing greenhouse gas emissions. Creates the Clean Technology and Renewable Energy Job Training, Career Technical Education, and Dropout Prevention Council made up of nine members to issue guidelines to implement the purposes of this act.	Yes	Senate pro Tem Steinberg	Author	HELD Senate Approps
AB 35	Workforce Preparation —States the intent of the Legislature to enact legislation to develop a strategic plan on the education system for workforce preparation. Also requires the Postsecondary Commission, in conjunction with the State Department of Education and the California Workforce Investment Board, to conduct stakeholder meetings to develop recommendations for a strategic plan for workforce development and career technical education in the public education system.	Yes	Assembly-member Furutani	Author	Assembly Higher Education Two-Year Bill
AB 122	Small Schools —Authorizes a school district to establish a small school, subject to specified conditions including, among others, a requirement to develop a school plan, as specified, and a requirement to adopt regulations that include the small school as part of an academic reform.	No	Assembly-member Coto	Author	Senate Education Two-Year Bill
SB 253	CTE Certificates —Authorizes a school district or county office of education to offer a pupil a career technical education certificate if the pupil meets specified requirements, including completion of four technical education courses, a structured work-based learning experience, and a related culminating project. The bill would prohibit the award of a career technical education certificate under the bill as being construed as equivalent to the award of a high school diploma or as a change to the statutory curriculum or compulsory education requirements.	No	Senator Wyland	Author	Assembly Floor Inactive File
AB 253	CTE Pilot Programs —States the intent of the Legislature to enact legislation that would create a pilot program in which the Superintendent of Public Instruction would invite school districts with high dropout rates to participate in a career technical education development plan.	No	Assembly-member Fuller	Author	Assembly Rules Two-Year Bill
Curriculum and Instruction					
AB 97	Content Standards —Requires the Superintendent of Public Instruction to convene an Academic Content and Performance Standards Review Panel for the reading, mathematics, and language curriculum area content standards adopted by the state board. Teachers appointed to the panels would be required to meet specified requirements, and in choosing members for the panels, the specified appointing authorities would be required to consult with each other to ensure that each review panel consists of members who meet prescribed requirements. The bill would require each panel to review the content and performance standards in its particular curriculum area, and recommend changes to the state board that are deemed necessary.	Yes	Assembly-member Torlakson	Author	HELD Senate Approps.

Bill #	Bill Summary	Fiscal	Author	Sponsor	Status
AB 380	California Clean Energy Curriculum and Training Initiative —Requires the Secretary of Labor and Workforce Development, in collaboration with the major stakeholders including appropriate state agencies, building trades unions, education, and the clean energy industry, to create by July 1, 2010, a standardized curriculum for use at schools and to provide outreach, assistance, and guidance to schools on creating clean energy training programs. The Initiative would be implemented when the Legislature appropriates funds for that purpose.	Yes	Assembly-member De La Torre	Latino Issues Forum	HELD Assembly Approps.
SB 236	Career Technical Education Curriculum —Makes a technical, nonsubstantive change to provisions related to career technical education courses.	No	Senator Huff	Author	Senate Rules Two-Year Bill
SB 515	Career Technical Education Courses —Requires, as a condition of receiving federal funds provided under the Carl D. Perkins Vocational and Applied Technology Education Act of 1998, and to the extent permitted under federal law, that school districts, regional occupational centers or programs, and community college districts demonstrate on or before July 1, 2013, that at least half of the course sequences offered for students are linked to high-priority workforce needs in the career sectors identified by the Labor and Workforce Development Agency for the State of California or for the economic region where the regional occupational center or program, community college district, or school district is located.	No	Senator Hancock	Author	Senate Floor Inactive File
SB 747	Pilot Pre-Apprenticeship Aerospace Machining Program —Creates the Pre-Apprentice Aerospace Machining Program, administered by the California Labor Agency and implemented by the California Community Colleges system, to provide career technical education to high school pupils in the form of a machining and related curriculum that can be applied to various manufacturing industries in California; these industries include, but are not limited to, aerospace manufacturing, as specified. The program would receive a combination of federal and private funds that would be deposited into the Machinist Investment Fund, which would be created by this bill. Grants would be competitively awarded to community colleges based upon specified criteria, including their ability to address the existing local and regional industry manufacturing needs, while providing meaningful career technical education opportunities for at-risk youth. This bill would require the California Community Colleges system to develop a pre-apprenticeship curriculum in aerospace technology and in machining technology generally. Its provisions would remain in effect until January 1, 2015.	Yes	Senator Romero	Author	HELD Assembly Approps.

Work-Based Learning

AB 66	Pupil Work Permits —Authorizes the principal of a public or private school, subject to specified requirements and conditions, to issue, or designate another administrator in the school to issue, work permits to pupils who attend the school. The bill would require that the hour limitations that apply to a work permit issued by any of the officials or employees authorized to issue work permits be based on the school calendar of the school the pupil attends.	Yes	Assembly-member Anderson	Author	CHAPTERED October 11
AB 332	Work-Based Learning —Authorizes school districts that maintain high schools to establish work-based learning programs as defined and to purchase liability insurance for pupils enrolled in programs of study involving work-based learning, off school grounds. Work-based learning opportunities include work experience education, community classrooms, cooperative career technical education programs, and job shadowing experience, as specified.	No	Assembly-member Fuentes	LA Chamber	VETOED
SB 569	School to Career Program —Makes technical, nonsubstantive changes to provisions related to school to career programs. (spot bill)	No	Senate pro Tem Steinberg	Author	Senate Rules Two-Year Bill
SB 640	Regional Occupation Programs —Requires an employer advisory board to recommend measures, criteria, and methods to evaluate pupils' skills and knowledge. In addition to creating college scholarships, requires an employer advisory board to assist a regional occupational center or program in identifying scholarships.	No	Senator Hancock	Author	CHAPTERED Aug. 6

Bill #	Bill Summary	Fiscal	Author	Sponsor	Status
SB 725	Regional Occupation Programs —Enacts the California Apprenticeship Preparation Program Act of 2009 authorizing an ROC/P to offer a California Apprenticeship Preparation Program. The Superintendent would be required to approve and certify an ROC/P as a California Apprenticeship Preparation Program if the ROC/P completed specified requirements. The bill would require the State Department of Education, in collaboration with representatives from building trades and construction apprenticeship training organizations, ROC/P faculty members, and ROC/P curriculum coordinators, to develop curriculum covering all aspects of the building trades and construction industry.	Yes	Senator Hancock	Author	HELD Senate Approps.
AB 1508	Corporate Tax Credit —Allows a credit under income tax and corporate tax laws in an amount equal to an unspecified amount of qualified expenses paid or incurred in connection with lending a qualified employee to a Title I public school, as defined, to assist in the teaching of mathematics or science.	Yes	Assembly-member Torrico	Author	HELD Assembly Approps.

Support Services

AB 296	Supplemental Education Services —Requires local educational agencies and supplemental service providers to comply with specified requirements relating to these supplemental educational services, including requirements related to providing information to parents and guardians and enrollment.	Yes	Assembly-member Solorio	Author	HELD Senate Approps.
--------	--	-----	-------------------------	--------	--------------------------------

Teacher and Counselor Credentialing and Preparation

AB 1223	Teacher Training —Requires the Legislative Analyst's Office to convene an advisory committee to determine the preparation and professional development needs of both academic and career technical teachers. The bill would require the Legislative Analyst's Office to present the findings of the advisory committee to the Legislature by January 10, 2010.	No	Assembly-member Block	LA Area Chamber of Commerce	Assembly Education Committee Two-Year Bill
SB 199	California Subject Matter Projects —Provides that the University of California's subject matter project areas offering support to teachers develop and enhance the content knowledge and pedagogical skills necessary to implement State Board of Education standards, including assistance to CTE teachers.	Yes	Senator Ducheny	Author	HELD Senate Approps.
SB 272	Educational Counseling —States legislative intent relating to the role of school counselors. Requires the academic counseling component of educational counseling to also include an individualized review of pupil's academic and department records and of his or her career goals; to provide the opportunity for a counselor to meet with each pupil and his or her parents or legal guardian to explain the academic progress needed to complete middle or high school, pass the high school exit examination, and be eligible for admission to a four-year postsecondary institution; and to explain the availability of career technical education, among other things.	No	Senator Wiggins	Author	VETOED

Strong Leadership

AB 148	Transformative Leadership —Requires the commission on teacher credentialing to conduct a one-year study to recommend more effective paths to transformational leadership, as defined, through the administrative credential process for school principals and leaders. The bill would require the commission to conduct the study between July 1, 2010, and June 30, 2011, and to report its findings to the Legislature by no later than December 31, 2011.	Yes	Assembly-member Coto	Author	HELD Senate Rules
--------	---	-----	----------------------	--------	-----------------------------

Scheduling and Instructional Time

AB 78	Concurrent Enrollment —Extends and modifies the current process of concurrent enrollment including extending the percentage of students from a high school who may enroll in summer college courses.	Yes	Assembly-member Portantino	Author	HELD Assembly Approps.
AB 345	ROP —Exempts former dependents or wards of the juvenile court who reached the age of majority while in foster care, who are not enrolled in grades 9 to 12, and who are participating in a regional occupational program or center from the 10 percent cap imposed on ROP/C to use state-funded average daily attendance.	Yes	Assembly-member Torlakson	Author	HELD Assembly Approps.

Bill #	Bill Summary	Fiscal	Author	Sponsor	Status
SB 147	CSU CTE Course Recognition —Requires the trustees on or before January 1, 2014, to develop and implement a procedure for allowing a student to satisfy the completion of a general elective course requirement for admission to the university by completing a high school career technical education course that meets either (1) specified criteria that the bill would require the trustees to establish or (2) model academic standards for high school courses adopted by the California State University pursuant to existing law.	Yes	Senator DeSaulnier	Get Real	CHAPTERED October 11
hap	High School Graduation Requirements —Requires that a pupil take at least two courses from the subject areas of visual or performing arts, foreign language, or career technical education, as defined, provided that at least one course is in visual or performing arts or in foreign language. The bill would require schools, to the extent practicable, to offer courses within their existing school calendars.	Yes	Assembly-member Furutani	Building Trades	HELD Assembly Approps.
AB 555	Accelerated Learning —Authorizes the Los Angeles, Kern, Long Beach, Los Rios, and San Jose-Evergreen community college districts to enter into partnerships with school districts to provide secondary school pupils with the opportunity to benefit from advanced scholastic, career technical education, or vocational coursework.	Yes	Assembly-member Furutani	LA Area Chamber of Commerce	HELD Assembly Approps.
AB 705	Career Technical Education —Makes technical, nonsubstantive changes to provisions related to regional occupation programs. (spot bill)	No	Assembly-member Berryhill	Author	Assembly Rules Two-Year Bill
SB 381	High School Graduation Requirements —Prohibits a school district from adopting a graduation requirement that requires the completion of additional coursework to meet or exceed the requirements and prerequisites for admission to California public postsecondary institutions unless the district also requires the completion of an equal amount of coursework to attain entry-level employment skills in business or industry upon high school graduation.	No	Senator Wright	Author	Assembly Approps. Two-Year Bill
SB 692	Career Technical Education —Makes technical, nonsubstantive changes to provisions related to career technical education Saturday programs. (spot bill)	No	Senate pro Tem Steinberg	Author	Senate Rules Two-Year Bill
Alignment with Postsecondary Education					
AB 36	Basic Skills Training —Requires the Postsecondary Commission, in consultation with the office of the Chancellor of the California Community Colleges, to submit a report to the Legislature providing recommendations for basic skills training and contextualized learning programs in the public education system.	Yes	Assembly-member Furutani	Author	HELD Assembly Higher Ed.
SB 123	Career Resource Network —Reassigns the existing California Career Resource Network, whose purpose is to provide career development information and resources to the people of California to enable them to attain their career goals, to a program in the State Department of Education; establishes the State Agency Partners Committee to be composed of the members of the program; and requires the State Agency Partners Committee to coordinate the use of network information and resources in its programs. These provisions would become operative on July 1, 2010.	Yes	Senator Liu	Author	CHAPTERED Aug. 6
AB 218	Education and Economic Goals for California Higher Education —Repeals duties of the California Postsecondary Education Commission and the existing higher education accountability program and requires the state to establish a new accountability framework for achieving prescribed educational and economic goals. The bill requires this framework to measure the collective performance of the state's higher education system in successfully serving students by answering six statewide policy questions. The bill requires that the data collected in response to these policy questions be reported to the Legislature and the Governor and be made available to the public.	Yes	Assembly-member Portantino	Author	Assembly Rules Two-Year Bill
AB 723	Community College Career Technical Coursework —Expresses the intent of the Legislature to enact legislation to develop and adopt uniform, objective, and high-quality criteria and standards for evaluating programs of instruction in career technical education within the California Community Colleges system.	No	Assembly-member Conway	Author	Assembly Rules Two-Year Bill

Bill #	Bill Summary	Fiscal	Author	Sponsor	Status
Assessment, Accountability, and Evaluation					
SB 19	Education Data System —Authorizes the state’s Chief Information Officer to use federal grant funds received pursuant to the American Recovery Act of 2009 to convene a working group representing specified entities in order to create a strategic plan to link education data systems and to accomplish specified objectives relating to the accessibility of education data.	Yes	Senator Simitian	Author	CHAPTERED October 11
AB 429	Public Accountability Advisory Committee —Requires the Superintendent’s Public Accountability Advisory Committee to make recommendations to the Superintendent for the establishment of a methodology for generating measures of academic performance using unique pupil identifiers and for developing a longitudinally valid assessment system in which annual academic growth can provide a more accurate and valid measure of a school’s academic achievement.	Yes	Assembly-member Brownley	Author	VETOED
Funding					
AB 8	Education Finance —Requires the Director of Finance and the Legislative Analyst to convene a working group to make findings and recommendations to the Legislature and the Governor on or before December 1, 2010, regarding restructuring California’s school finance system. The bill would require those findings and recommendations to include, among other things, alternative structures for funding public schools, the policy and fiscal implications of the alternative funding structure(s), and an evaluation mechanism to facilitate continuous improvement, maximum transparency, and accountability of the funding structures.	Yes	Assembly-member Brownley	Author	VETOED
AB 60	Weighted Formula —Requires the Superintendent of Public Instruction, no later than March 1, 2010, to select a nonprofit entity or institution of higher education to complete a study related to weighted pupil funding formulas. The bill requires the study to be submitted to the Superintendent for distribution to the Legislature no later than December 31, 2010.	Yes	Assembly-member Coto	Author	HELD Assembly Approps.
AB 71	Categorical Block Granting —Requires the Superintendent to suspend categorical funding grants and block grants for public schools, including charter schools, and to create new categorical block grants.	Yes	Assembly-member Duvall	Author	Assembly Rules Two-Year Bill
AB 220	Education Facilities Bond —States the intent of the Legislature to enact legislation that would create a Kindergarten-University Public Education Facilities Bond Act, to become operative only if approved by the voters at the next statewide general election. The bond, if approved by the voters at that election, would provide for the issuance of an unspecified amount of state general obligation bonds to provide aid to school districts, county superintendents of schools, county boards of education, the California Community Colleges, the University of California, the Hastings College of the Law, and the California State University to construct and modernize education facilities.	Yes	Assembly-member Brownley	Author	Assembly Education Two-Year Bill
AB 553	Regional Occupational Program Funding —Requires the Superintendent of Public Instruction to calculate a rate per unit of average daily attendance (ADA) that would be apportioned to each regional occupational center or program and to determine the statewide median of total state funding received per unit of ADA by each regional occupational center or program.	Yes	Assembly-member Furutani	Author	Assembly Education Two-Year Bill
