

# Grade Level Career and Educational Development Components

## Critique and Feedback Form

### **Self Awareness and Career and Educational Planning Data Collection**

1. What are the strengths of the **Self Awareness and Career and Educational Planning Data Collection** sections of the Grade Level Career and Educational Development Components Tool?
2. What are some ways that these sections of the Grade Level Career and Educational Development Components Tool could be improved to make them more useful to pathways and districts?
3. Do all of the Components and Outcomes in these sections of the Grade Level Career and Educational Development Components Tool seem reasonable, desirable, and obtainable to you? If not, please explain in detail and make specific recommendations for improvement.
4. How might you utilize this Tool in your pathway and/or district?
5. Who would utilize this Tool in your district? For example, would all of this work be accomplished by your counselors? Would some of this work be done through advisory? Would some of it be done by teachers?
6. How could we access and evaluate the overall success of your counseling program in meeting the outcomes outlined in this document?
