

## Grade Level Career and Educational Development Components Tool Critique and Feedback Form

### **Career Awareness and Career and Educational Planning Data Collection**

1. What are the strengths of the **Career Awareness** and **Career and Educational Planning Data Collection** sections of the Grade Level Career and Educational Development Components Tool?
2. What are some ways that these sections of the Grade Level Career and Educational Development Components Tool could be improved to make the Tool more useful to pathways and districts?
3. Do all of the Components and Outcomes in these sections of the Grade Level Career and Educational Development Components Tool seem reasonable, desirable, and obtainable to you? If not, please explain in detail and make specific recommendations for improvement.
4. How might you utilize this Tool in your pathway and/or district?
5. Who might utilize this Tool in your district? For example, would all of this work be accomplished by your counselors? Would some of this work be done through advisory? Would some of it be done by teachers?
6. If your pathway or district decides to adapt this Tool, how can we access and evaluate the overall success of your counseling program in meeting the outcomes outlined in this document?
