

Teacher Cohort Overview

Effective Teaming and Changing Roles

7/29/09 Wednesday 10:00 a.m.

Expected Outcome: Pathway Team Members

- Have clearly defined roles and areas of responsibility for implementing and maintaining a quality pathway program.
- Employ effective team norms, protocols and processes.
- Recognize their own motivation towards the work and respect the needs and strengths of all members.

Activities

1. Complete a motivation preference survey.
2. Explore how motivation relates to the strength of each team member.
3. Determine team roles best suited to motivation preferences.
