

Teacher Cohort Overview

Vision, Mission and Program Design

7/29/09 Wednesday 2:45 p.m.

Expected Outcome: Pathway Team Members

- Validate the appropriateness of pathway theme.
- Promote personal investment of teachers, students and partners in developing a collaborative community.
- Determine specific roles they play within the program design and how they reinforce the vision of college and career.

Activities

1. Complete a motivation preference survey.
2. Explore how motivation relates to the strength of each team member.
3. Complete the worksheet to determine team roles best suited to motivation preferences and identify their areas of responsibility within the program, when communicating the vision of the program.
